General Information/Philosophy:

The Pleasanton Youth Basketball (PYB) program is open to boys and girls enrolled in grades 1-12 (Fall 2010). The program has both boys' and girls' leagues, which play games on Saturdays (various times) in the City of Pleasanton/School gyms. PYB adheres to its principles, which allow for a low-key program while also affording the opportunity for competition in a very exciting and demanding sport. These philosophies/principles include: All players are placed on teams by recreation staff. (No draft.) All playing time is divided equally among all players present at a particular game. PYB teams do not travel outside of the community for games. If you have a special request to play with a friend, please use the front of the registration form in the special request box. Please-only ask to be placed with a friend if it is imperative to your child's participation. Only one request will be allowed. Requests must come from both parties. City staff will make every attempt possible to honor requests that are appropriate, but there are no guarantees. Requesting a coach or a coach requesting a player is not allowed.
