**Aloha!**

Welcome to our first week of the Summer Zone at Gingerbread. The children will enjoy a week full of Hawaiian inspired activities, lots of water play and fun in the sun!

**My Pet Dinosaur**

What would life be like if your child had a pet dinosaur? This week, children will use their imaginations and create their "pet" dinosaur. They will enjoy many adventures together; watching volcanoes explode, playing dinosaur games and making some dinosaur treats to eat.

**Outrageous Cooking**

Calling all future chefs! Each day, activities will present a special themed snack that the children will create and eat during class time. Chefs will also create their "secret recipe", and enjoy several fun games and activities.

**Fly Me to the Moon**

Children will explore outer space creating planets, worm holes and more. They will create their space uniform and special snack for their space walk.

**Mad Scientists**

Children will enjoy a week of hands-on and very messy science experiments!

**Dr. Seuss and Friends**

Each day will feature a Dr. Seuss book. Activities and a fun snack will be presented to coincide with the book.

### Nature's Wonder Club: Bird Songs

Ages 5 & up

How sweet is the sound of birds singing, but why do they sing, and what does it mean? We will try to get a feel for the songs of birds both near and far. Learn how to locate the birds in the park, and differentiate what type of bird makes what sounds.

### Nature's Wonder Club: Dino-story

Ages 5 & up

Where did they go? Are they all around us watching and waiting? Come meet the dinosaurs, and hear about all the great old ones and what their world was like. We will then ask the question of where or what they changed into through time.

### Nature's Wonder Club: The Scoop on Snakes!

Ages 5 & up

What makes a snake a snake? Where did they come from and will they keep going? Hear the story of the snake, the wonderfully exciting slithering one. Have no fear, we'll put your worries to rest and show you why you need not be ill at ease. They really are our friends!
