## REGISTRATION PROCEDURES AND FEES

Please note that there have been some major changes for the year 2010\* and it is the manager's responsibility to understand and comply with these new rules and guidelines. To ensure that a team is admitted to the league, the manager is responsible for providing all information and league fees requested. Team managers are responsible for their team's compliance with the following registration procedures:

### Team Application & Roster

In order to be accepted into the league, all teams must submit a team application along with the appropriate barcode (see page 6 ) and turn in an original and completed roster (**last season's, a photocopy of the original roster, illegible rosters, or an incomplete roster will not be accepted**). Managers must complete the top portion of the roster, especially both the night and league that are requested (do not assume we know which night and league you are applying for). All rosters must contain a minimum of 12 players. **All players (including managers) must print and sign their name, provide their address, and phone number to be considered eligible participants.**

### Fees –Fall 2010 Schedule \*New rates for non resident teams

Complete registration fee (**including non-resident team fee if applicable**) must be submitted at the time of registration. All teams that have 75% or fewer non-residents on their roster will be charged an extra fee. A non-resident player is defined, as someone who does not live in Pleasanton, working in Pleasanton does not qualify for resident status. Fees must be paid with a check (\$10.00 returned check policy), money order, cash, or credit card (Visa and Master Card only, call for an application). \*Any company that sponsors a team and pays with a company check or credit card, will pay \$30 above the assigned league fee.
